## Commissioner for Patents

The reply filed on 15 June 2007 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): The Applicant did not elect a Species of a specific "pathological condition" as required by the Restriction of 18 May 2007; See 35 USC 121, 37 CFR 1.141 and MPEP 809.02(a). Applicant elected claim 13, which reads on a generic claim, not a specific pathological condition as listed in claims 9, 10, 12, 16 and 17. Examiner acknowledges the error in including the generic claim in the species election for pathological condition (see page 3, para 6 of Office Action dated 18 May 2007). It is also to be noted that the examiner of your application in the USPTO has changed. To aid in correlating any papers for this application, all further correspondence regarding this application should be directed to Examiner Aditi Dutt. Since the above-mentioned reply appears to be bona fide, applicant is given ONE (1) MONTH or THIRTY (30) DAYS from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Aditi Dutt whose telephone number is (571) 272-9037. The examiner can normally be reached on Monday through Friday, 9:00 a.m. to 5:00 p.m. If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Christina Chan, can be reached on (571) 272-0841. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300. Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system.
